THE FIRST PLATFORM TO MEASURE THE
IMPACT OF WORK EXPERIENCE AND
EXTRACURRICULARS ON EMPLOYABILITY

PROVIDE A PERSONALISED AND SEAMLESS CAREER DEVELOPMENT JOURNEY FOR YOUR STUDENTS

IMPROVE STUDENT WELLBEING, SATISFACTION, SKILL DEVELOPMENT AND EMPLOYABILITY

LOCATE

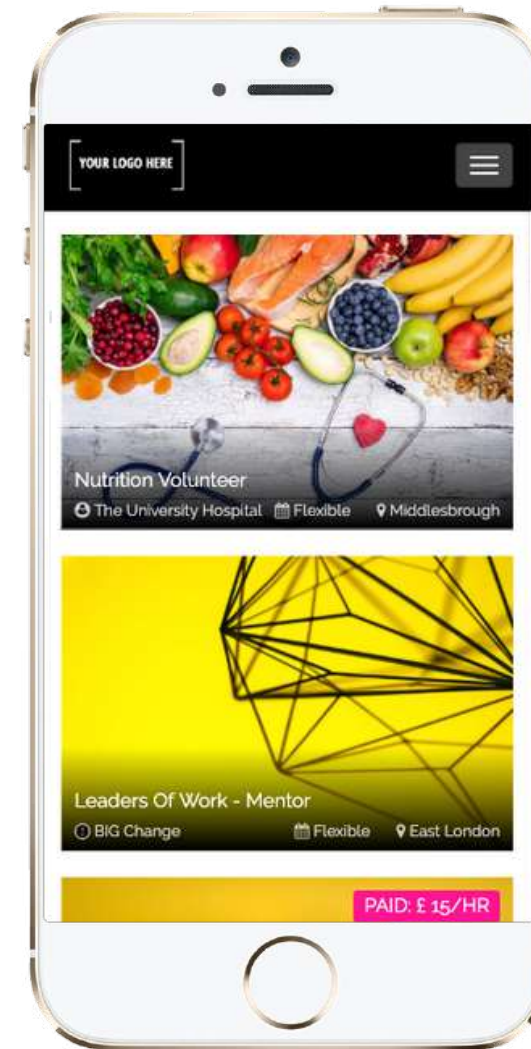

Skill building opportunities and training

TRACK

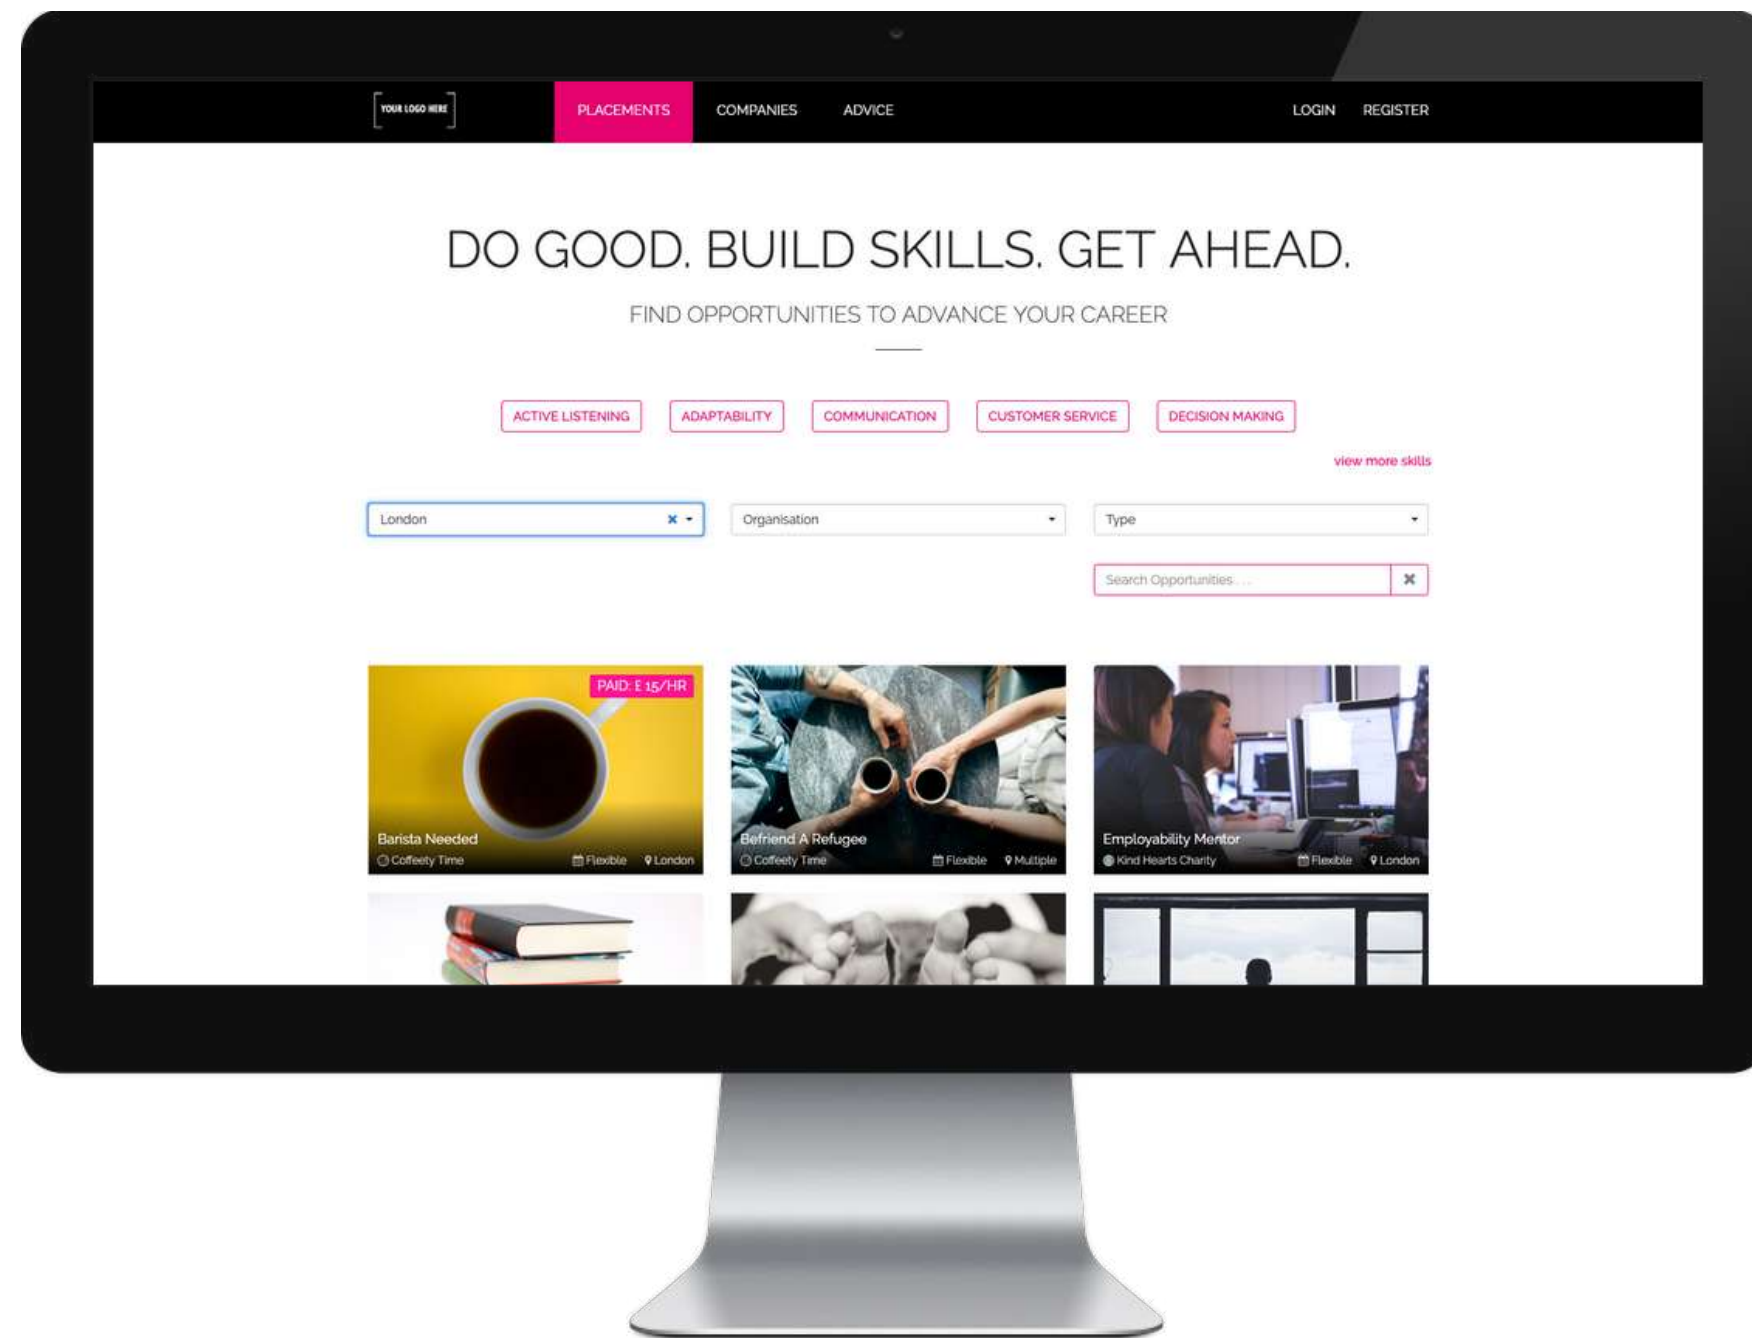

Skill development to improve employability

SUPPORT

Student personal development through reflection & feedback

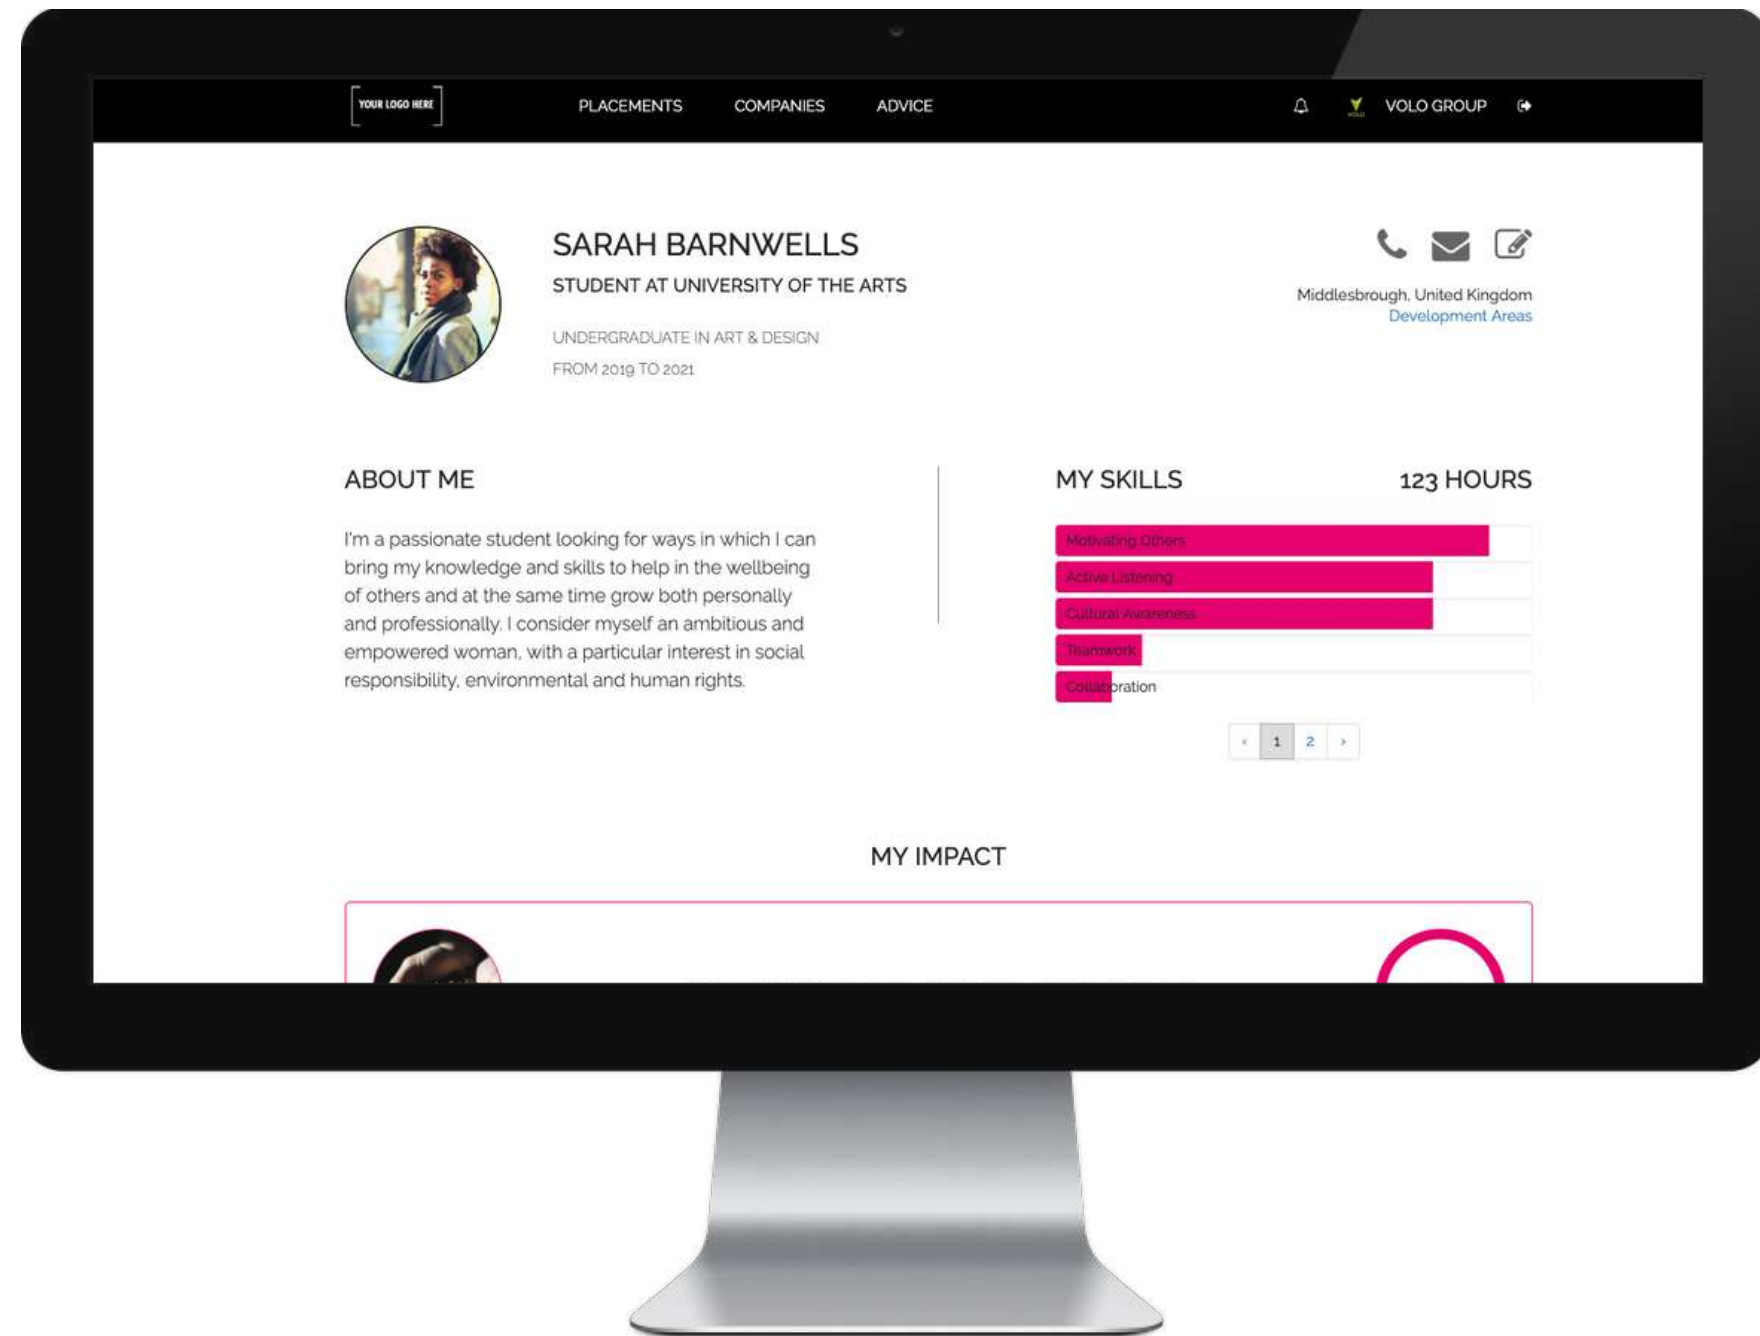

VOLO OPPORTUNITY FINDER

Help students locate the right placements and career development opportunities, information and support

- Recommended opportunities and information based on development needs
- Partner generated opportunities and articles
- Centralised health and safety checks

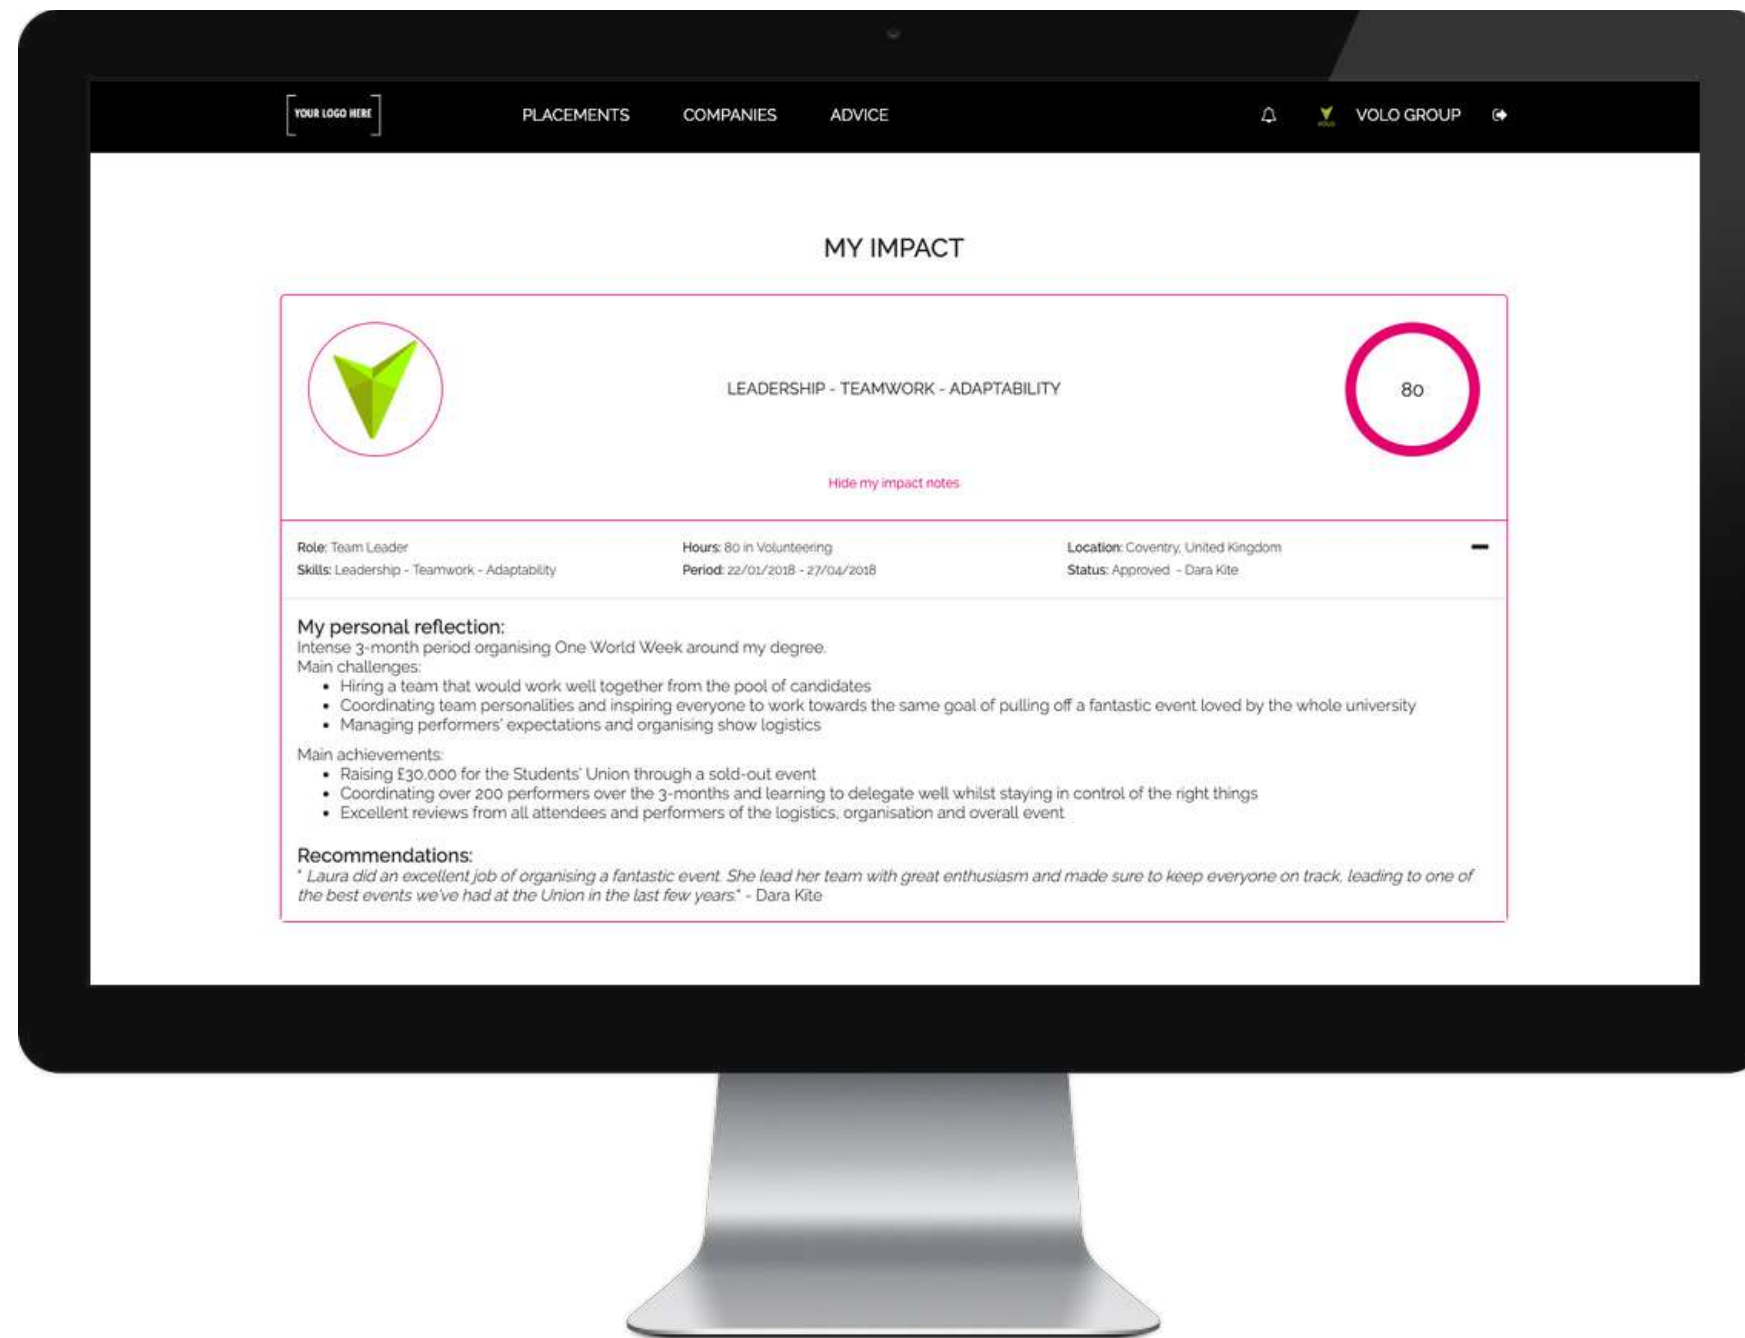

VOLO CV

Help students track their development throughout their placement on a digital CV that will differentiate them from other candidates

- Validated hours and experiences
- Reflective notes and evidence of impact
- Recommendations and feedback to help guide development

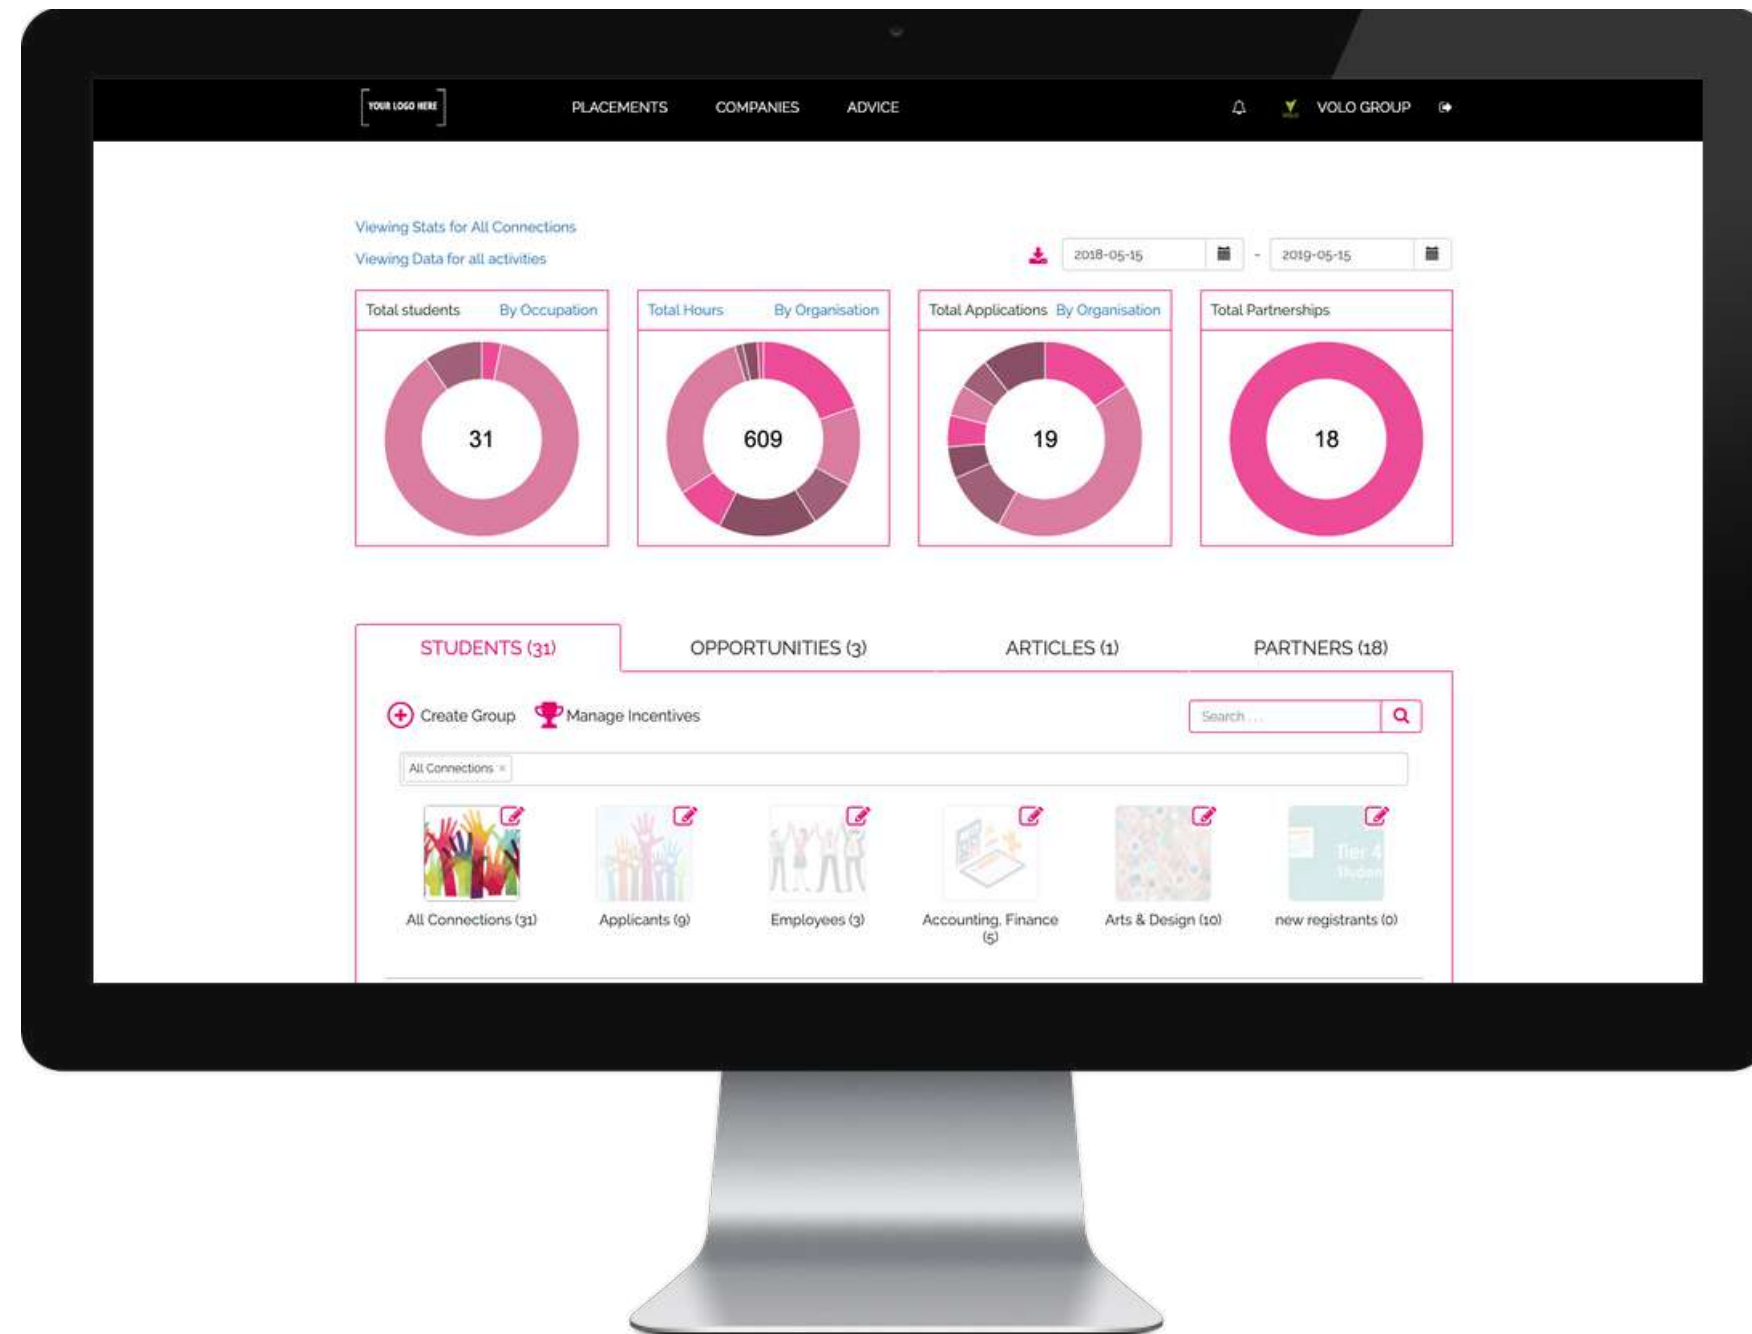

VOLO REFLECTIONS

Help build a strong foundation for your students' personal and professional development

- Encourage the practice of self-reflection
- Support students' self-awareness and confidence levels
- Help build a key habit for ongoing career success

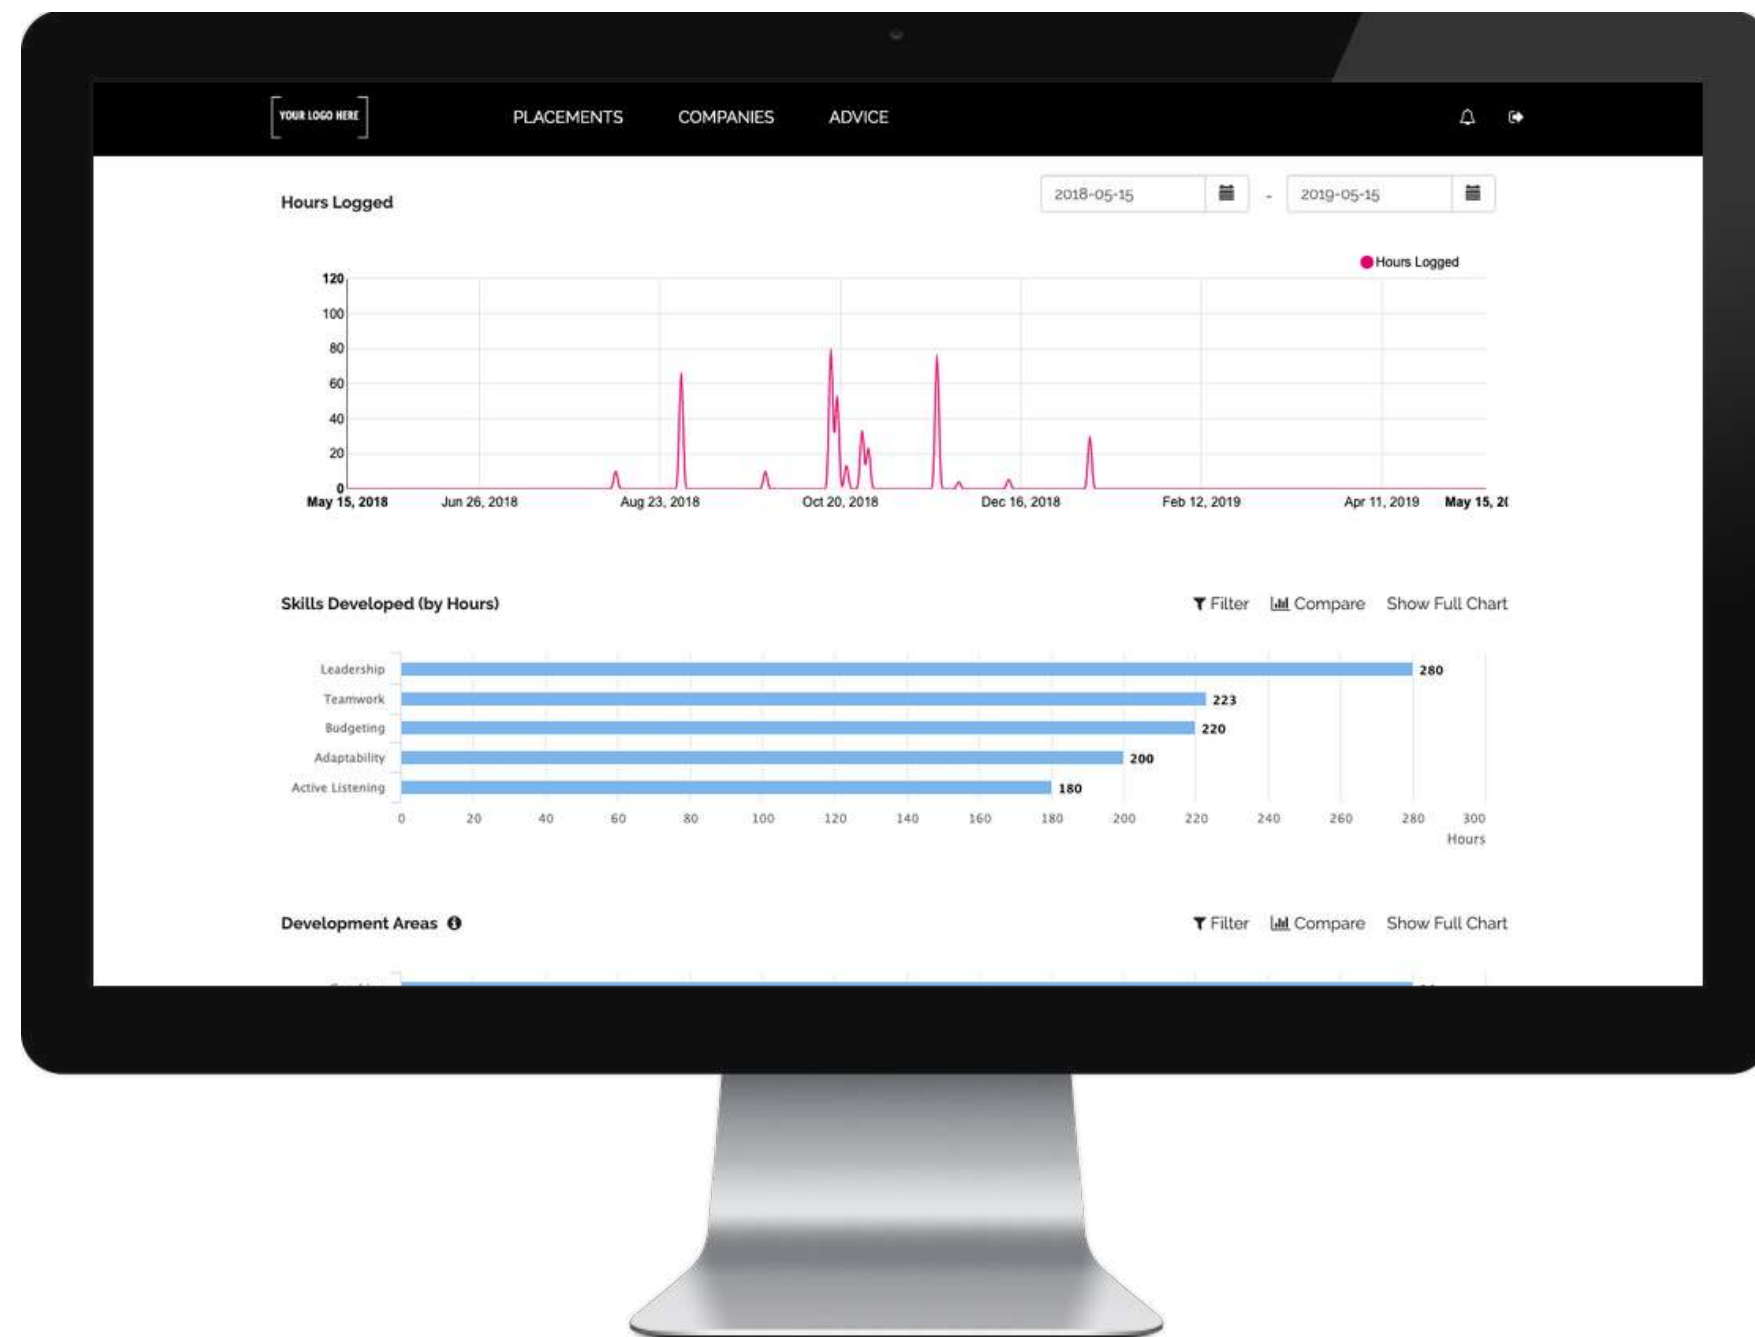

VOLO MANAGEMENT DASHBOARD

Manage and monitor your employability programmes with ease

- Easily communicate your skill development offering to students
- Track engagement and progress across individuals, departments and cohorts
- Manage internal and external partnerships, opportunities, trainings and events
- Automate workflows, download excel files and reduce administrative burden

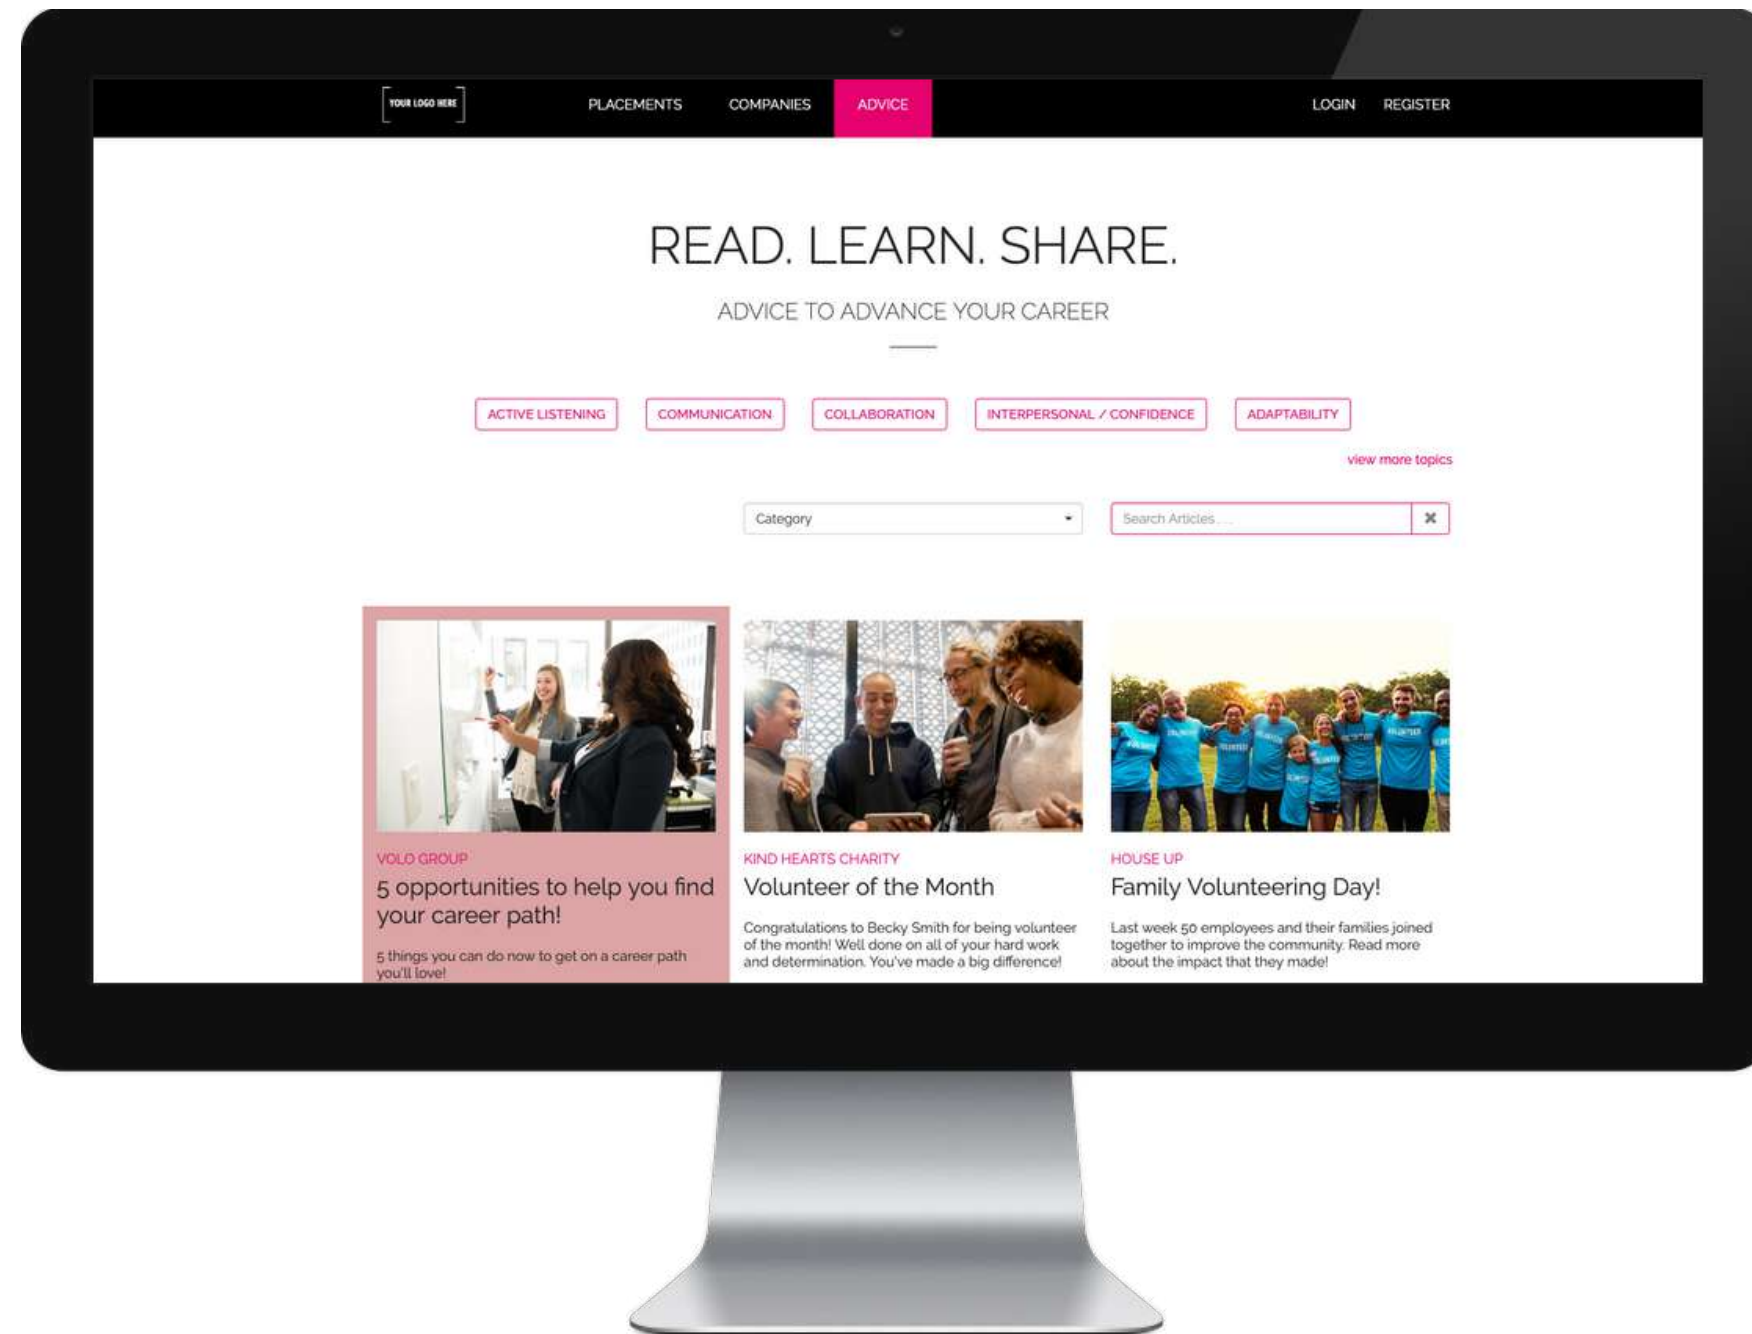

VOLO ANALYTICS

Gain deep insight into the performance of your employability initiatives

- View live development data and insights to monitor progress and shape your offering
- Identify skill gaps across departments, cohorts and groups
- Track employment outcomes beyond graduation

VOLO COMMUNITY

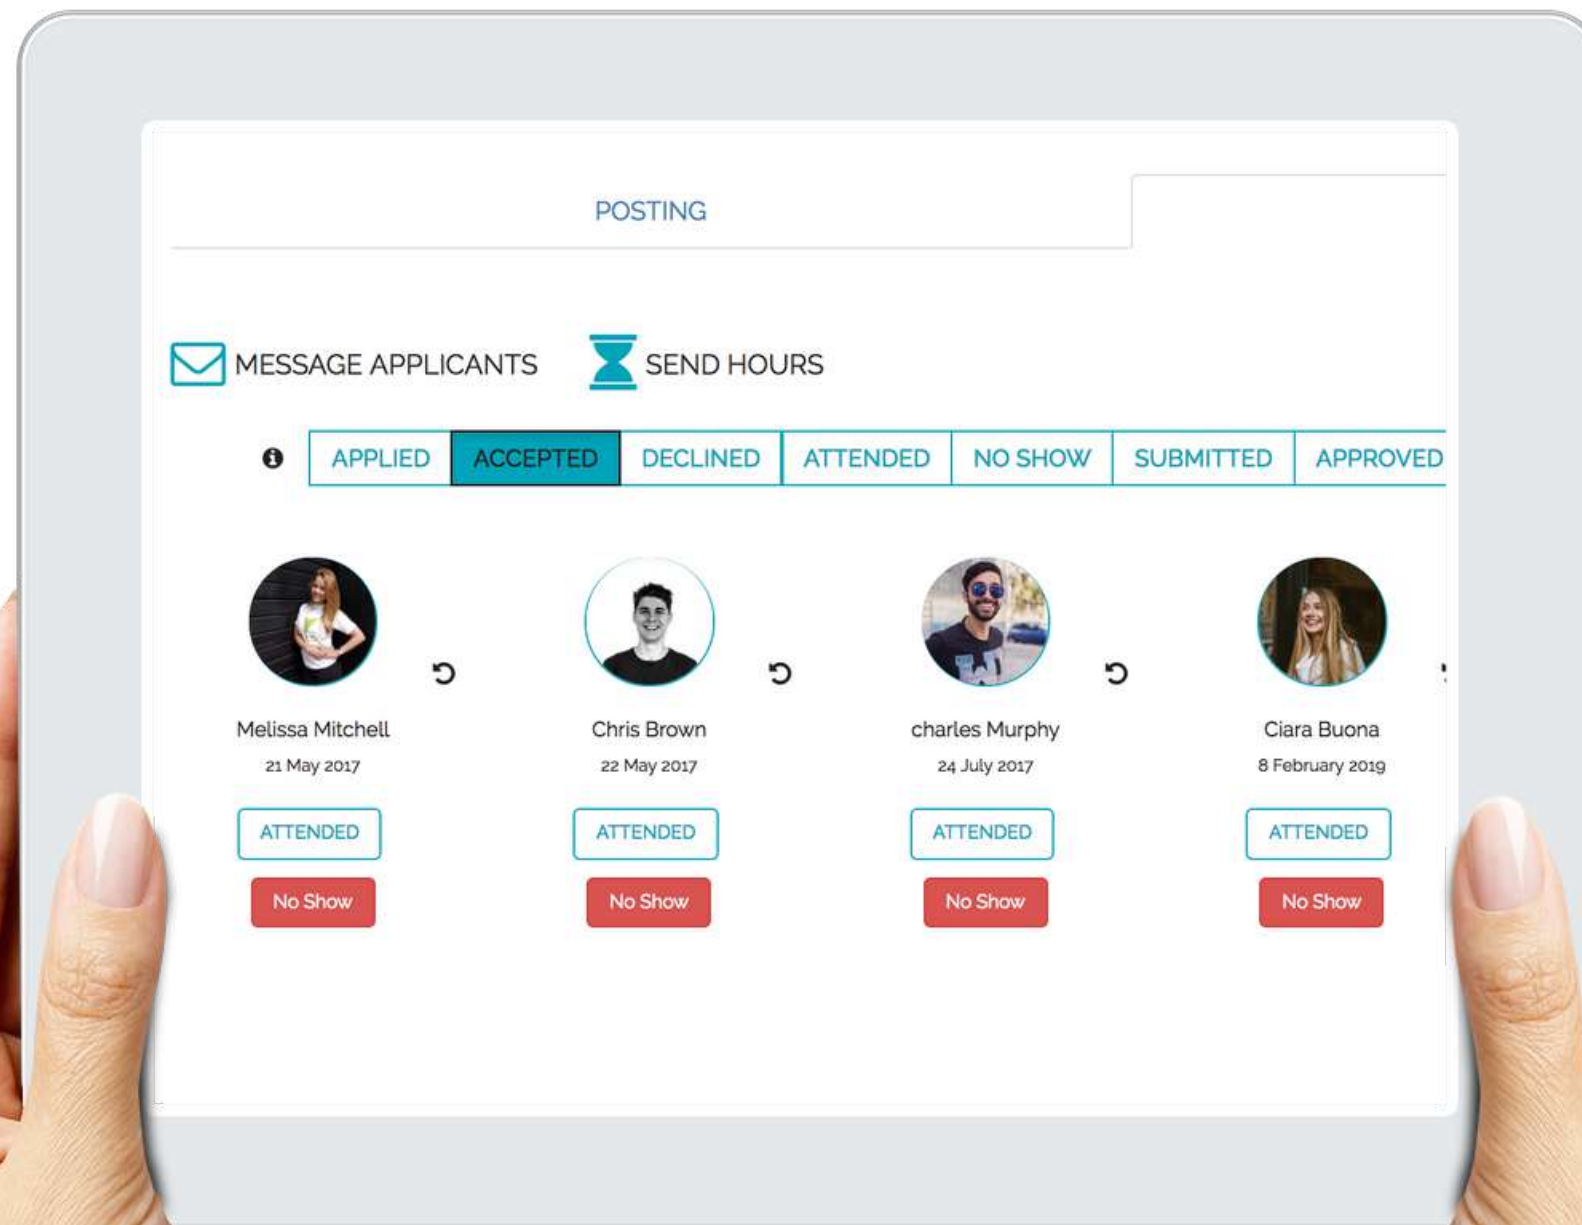

Publish articles and success stories to increase engagement and expand your network

- Increase student engagement and learning through articles, resources and success stories
- Connect to a growing network of individuals and organisations to expand your offering and attract new students and partners

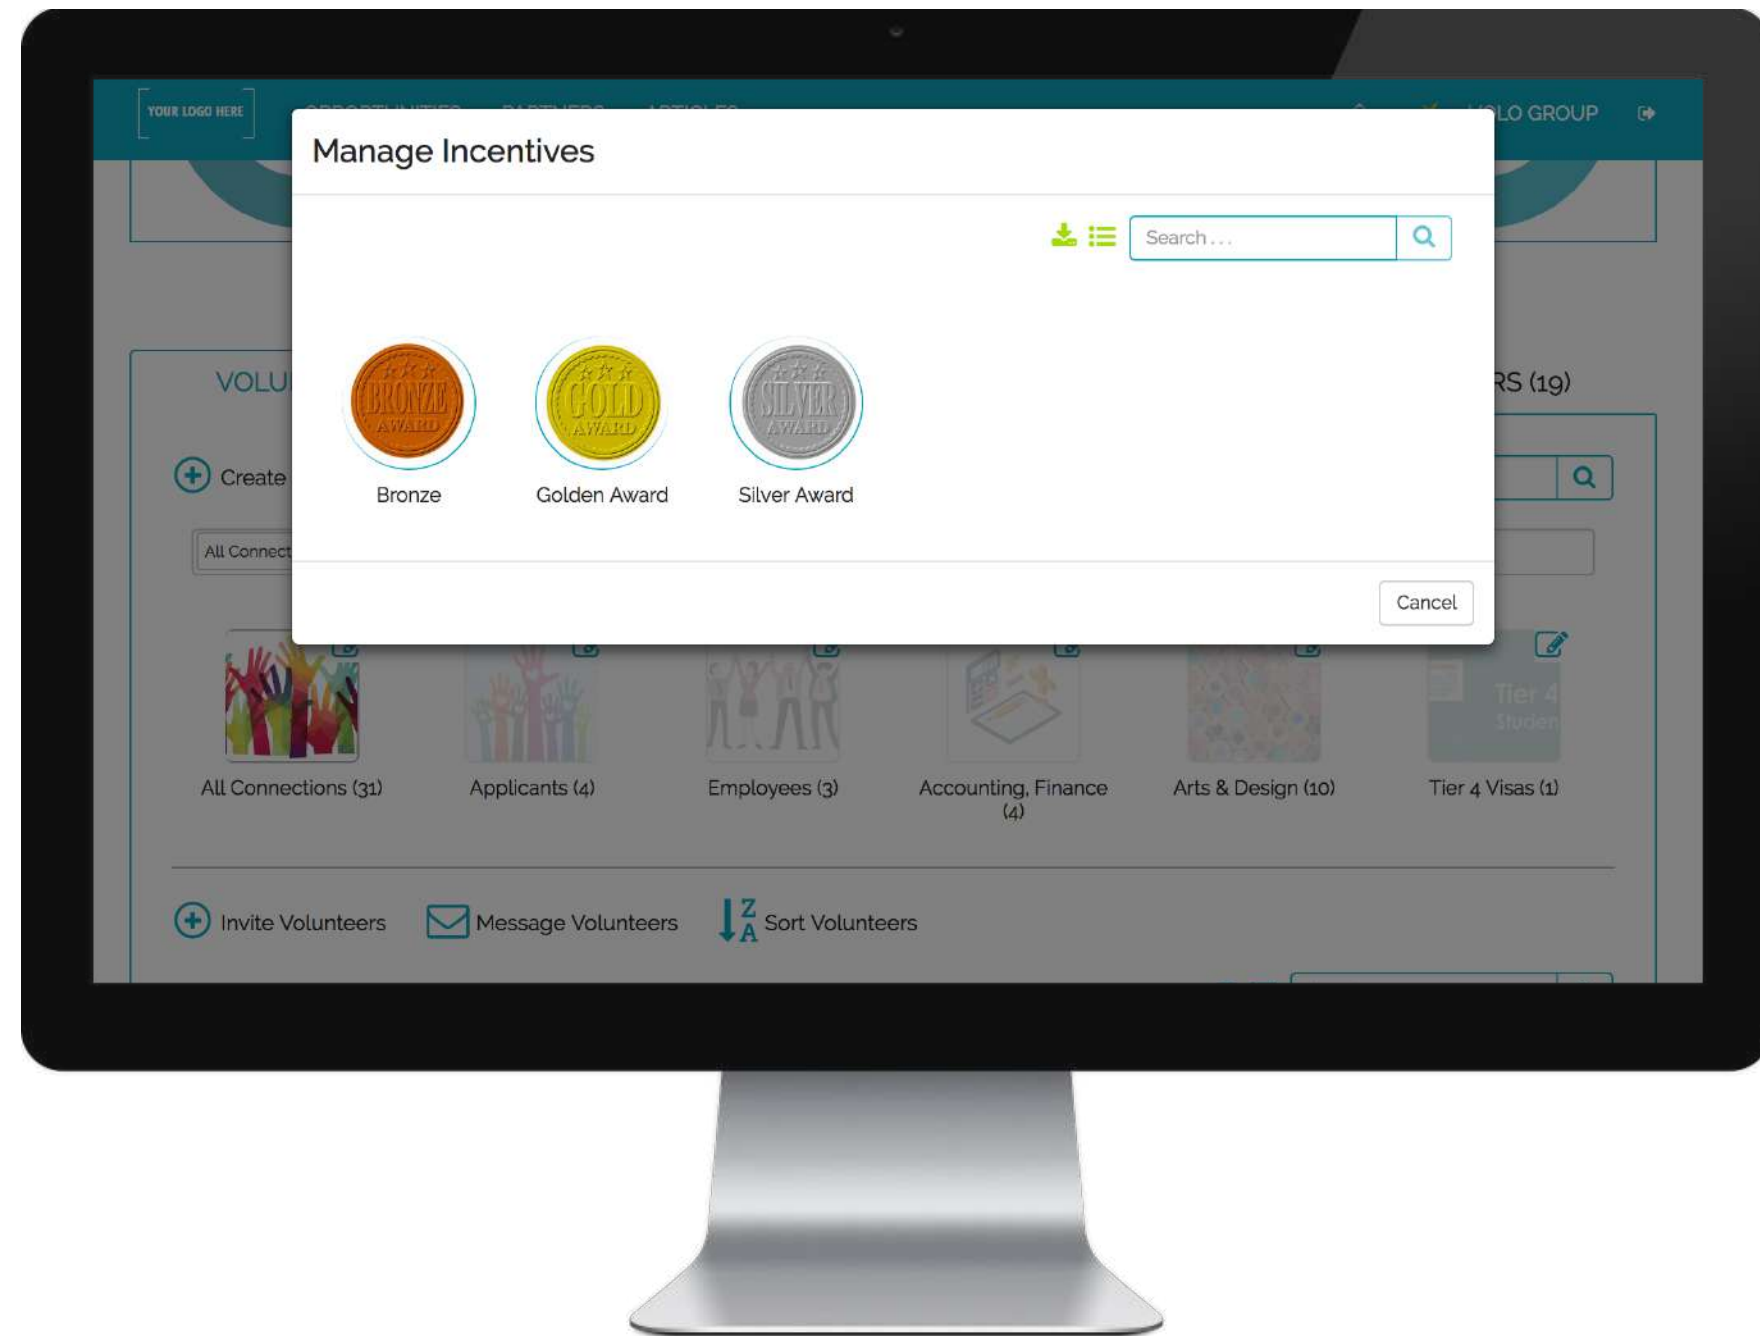

VOLO APPLICANT TRACKING

Track student activity from signup through to completion with our built-in ATS

- Simple registration and management of students through the application process
- Streamline and track student communication through group messaging
- Measure student development, engagement, and satisfaction

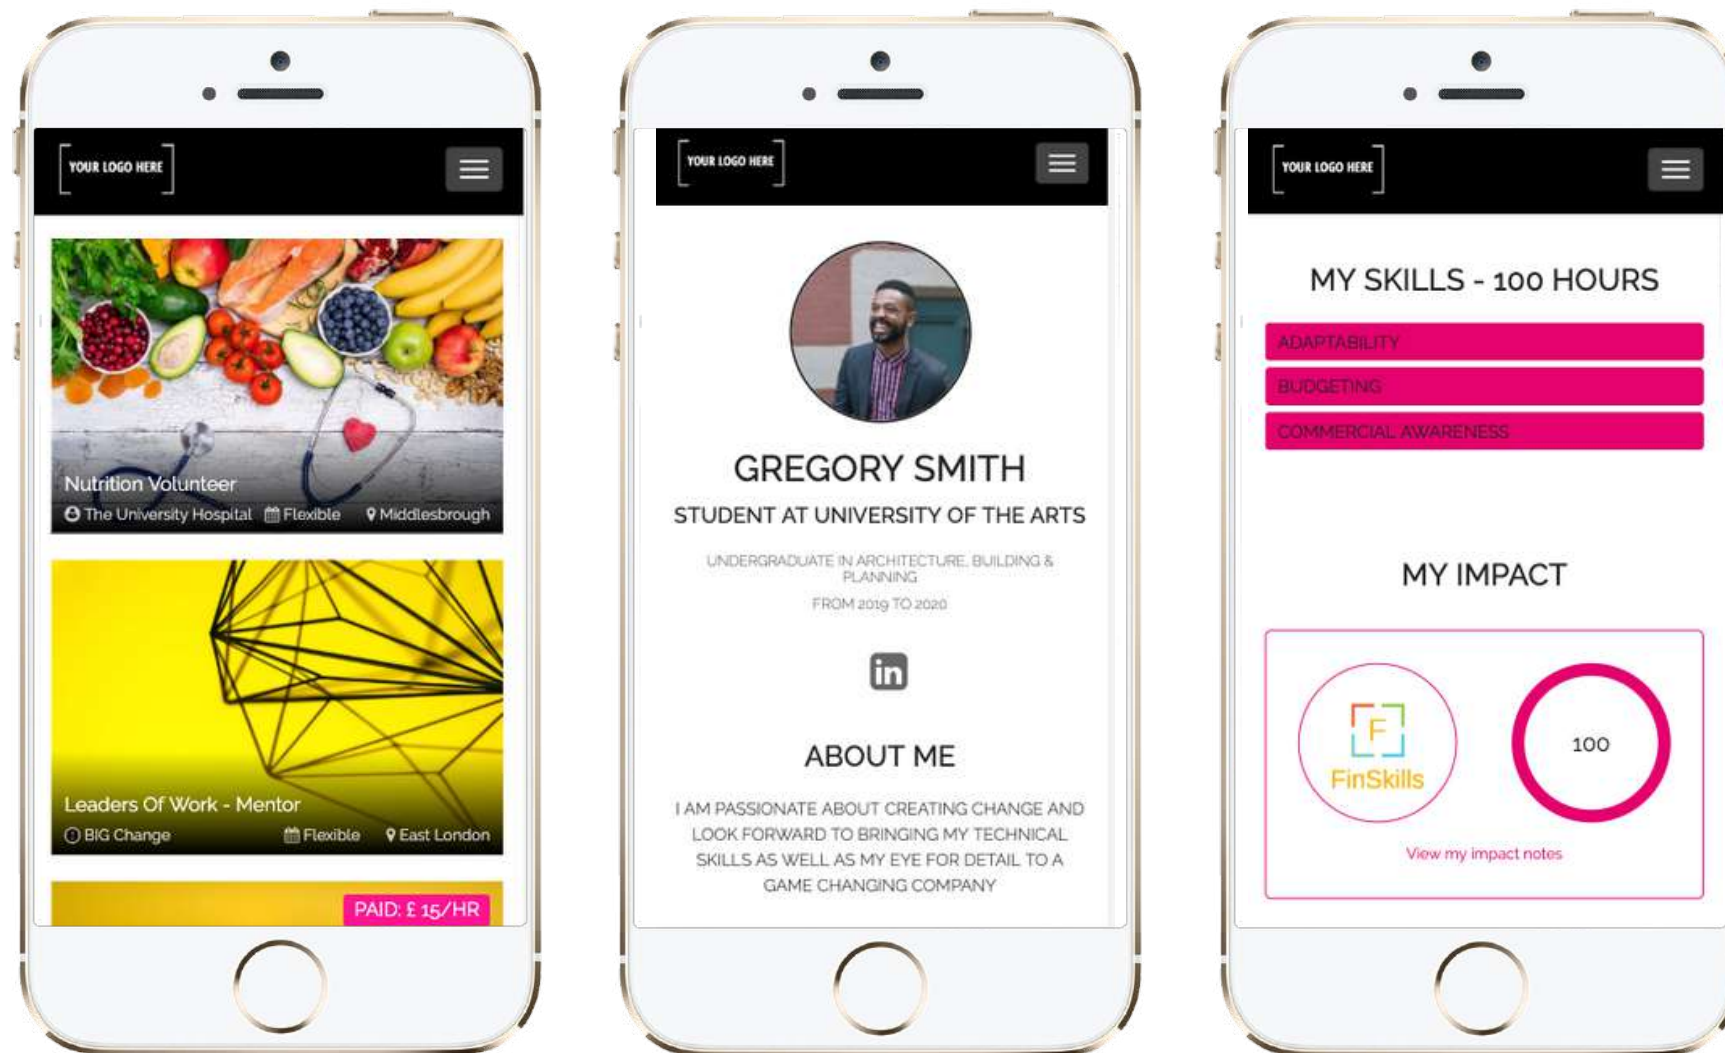

VOLO AWARDS & INCENTIVES

Improve the student development experience with automated awards and incentives

- Create awards based on hours and skills
- Encourage student development through visual progress towards achieving awards
- Send automatic congratulatory emails when awards are achieved
- Track and communicate with award recipients

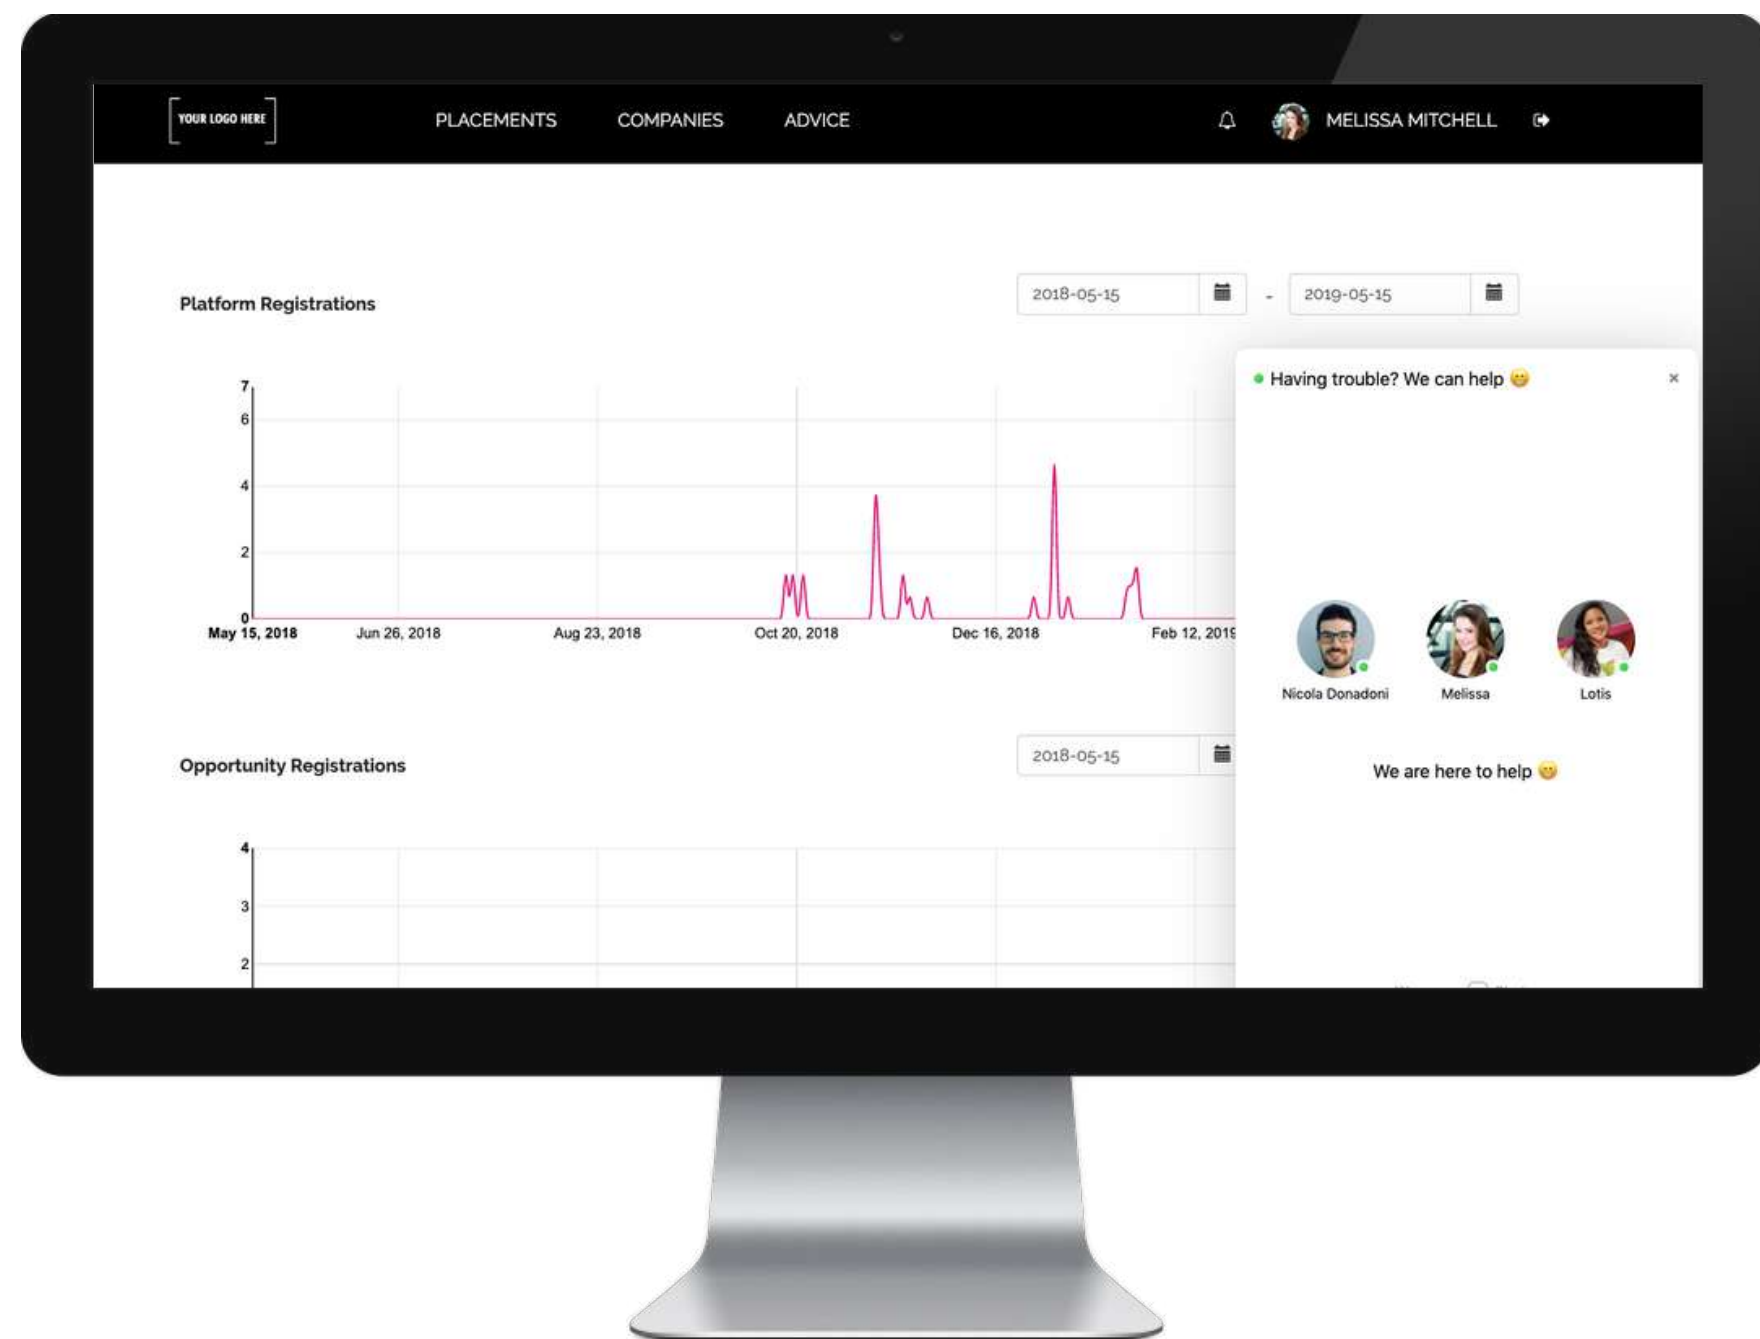

VOLO ANYWHERE

State-of-the-art mobile first technology that provides an engaging and convenient user experience

- Students can register for opportunities and log hours from anywhere
- Modern, quick and engaging
- Single Sign-on available

VOLO CUSTOMER SUPPORT

Focus on what really matters and rely on the VOLO team for support

- In person and online training sessions
- Strategic advice
- Ongoing communication to gather feedback and implement new functionality
- Full technical support

WHAT OUR PARTNERS ARE SAYING

WHAT STUDENTS ARE SAYING

"VOLO helped me discover my professional passions.

This, combined with the technological knowledge and the skills I developed, allowed me to be my best self and in turn land my dream job."

*Anna-Mariya Angelinova - Law Graduate
London School of Economics and Political Science*

VOLO VISION

MELISSA MITCHELL
Founder/CEO
VOLO Group

At VOLO Group we believe that the world of work is changing and that success, by whatever measurement, can only be attained when we collaborate and support every member of society. Because of this, we are committed to ensuring that every individual, regardless of background or situation, has access to skill development opportunities to help them become collaborative and socially minded members of the global workforce.

We are delighted to be partnering with organisations that share our passion for supporting personal development and achievement and we believe that universities play a key role in making this vision a reality. Thank you very much for your time in reviewing our offerings. We look forward to speaking with you.

THANK YOU

WE'D LOVE TO SPEAK WITH YOU!
